

Foods Around the World & Service

Tuesday, May 17th
5 PM - 7 PM
North Market
(59 Spruce Street in Columbus)

Join us at North Market in Columbus to sample fare from all over the world! After we eat, we will be making goody bags to help brighten the lives of terminally-ill children at Children's Hospital.

We need items for these goody bags! Please drop donations of money or items off to the WiE office or email us indicating the items you will bring to the event. We are looking *new stuffed animals* (Children's requests that the tags still be intact), *gently used teen books, new journals and diaries*, and *small hand-held toddler toys* (rattles, etc.) Every donation counts!
